21. Aliaga-Díaz, Roger A. and Olivero, María Pía (2010c), "Is there a Financial Accelerator in US Banking? Evidence from the Cyclicality of Banks' Price-Cost Margins", *Economics Letters,* Vol. 108(2), August, pp. 167-71.

22. Jeon, Bang, María Pía Olivero and Ji Wu (2010), "Do Foreign Banks Increase Competition? Evidence from Emerging Asian and Latin American Banking Markets", *Journal of Banking and Finance*, Vol. 35(4), April, pp. 856-875. Crete Conference 2010: The Future of Universal Banking.

Edited Volumes

Bang Nam Jeon and María Pía Olivero, eds. (2013) "Global Banking, Financial Markets and Crises", *International Finance Review*, Vol. 14, Emerald Books, Bingley, United Kingdom.

Working Papers

1. "Improving Credit Access for Minority-Owned Businesses: A General Equilibrium Approach". Second round at *Economic Modelling* after rejection from *Journal of Macroeconomics*.

2. "Switching Costs for Bank-Dependent Borrowers and the Bank Lending Channel of Monetary Policy" (with Yuan Yuan). Revise and resubmit at the *Southern Economic Journal*.

3. "When the Federal Government Lends: A New Dataset on Credit Policy and Private Credit Markets in the United States". Submitted (after rejection from *American Economic Review: Insights*, *The Review of Economics and Statistics* and the *Economic Journal* of the Royal Economic Society).

4. "Credit Misallocation around a Big Shock: Evidence from Argentina". Submitted.

5. "Mind the (Credit) Gap: Stabilization under Average Inflation Targeting" with Marco Airaudo (Drexel University), Alessandro Capogna (Deutsch Bank), and Andrea Casini (grad student at London School of Economics). Submitted.

Grant Applications

"Lending to the Unbanked: A New Database and New Insights (AFS-New Data)": Submitted in August 2024 (rejected) to the National Science Foundation for the Research Infrastructure Program. Proposal #2444776, total budget $665,500. IRB approval by Swarthmore's Office of Research Integrity and Engagement.

Work in Progress (listed from most to least progress)

1. "Markup Heterogeneity, Openness and the Pro-Competitive Gains from Trade with Persistent Trade Relationships": with Paul Ko (Swarthmore College) and Wei Qian (Haverford College). Incomplete working paper version available.

2. "When Deposits are Uninsured: Revisiting the Bank Liabilities Channel": with Evren Damar (Hobart and William Smith Colleges and IWH Halle). Incomplete working paper version available.

3. "Heterogeneities in Loan Covenant Types Across the Firm Size Distribution". Incomplete working paper version available.

4. "Geopolitical Shocks and International Financial Stability: What Can We Learn from Loan Syndicates' Exposure to Russian Firms?": with Pablo Hernando-Kaminsky (World Bank) and Andreea Rotarescu (Wake Forest University). Started October 2025.

5. Credit Shocks and Labor Markets: Uncovering Asymmetric Effects with "Super Micro" Data. Started July 2024.

6. "Banking Networks, Credit Concentration and the Transmission of Sector-Specific Shocks": with Pablo D'Erasmo (Federal Reserve Bank of Philadelphia) and Hernán Moscoso Boedo (University of Cincinnati). Started fall 2023.

7. "Labor Market Informality, Financial Development and Income Distribution", started fall 2021.

Teaching Experience

1. ECON 102: Advanced Macroeconomics (Honors seminar), Swarthmore College, fall 2020 and scheduled fall 2026.
2. ECON 99: Directed Reading on Solving DSGE Models in Macroeconomics, Swarthmore College, spring 2025.
3. ECON 99: Directed Research on Alternative Financial Services, Swarthmore College, fall 2023.
4. ECON 99: Directed Reading on Financial Development and Inequality, Swarthmore College, fall 2022.
5. ECON 99: Directed Reading on Financial Economics (co-taught with Stephen O'Connell), Swarthmore College, spring 2022.
6. ECON 84: Latin American Economies, Swarthmore College, fall 2021, 2022, 2023 and 2024.
7. ECON 21: Intermediate Macroeconomics, Swarthmore College, spring 2021, 2022, 2023, 2024 and 2025, scheduled spring 2027.
8. ECON 1: Introduction to Economics, Swarthmore College, fall 2018 (2 sections).
9. International Macroeconomics, Haverford College, spring 2019.
10. Fiscal Policy and the Macroeconomy, Haverford College, spring 2018 and spring 2019.
11. Intermediate Macroeconomics, Drexel University, winter 2008-winter 2015.
12. International Money and Finance, Drexel University, 2009-2018.
13. International Business, Economics of Latin America, Drexel University, winter 2008.
14. Advanced Macroeconomics (PhD level), Drexel University, winter 2007-winter 2022.
15. Dynamic Macroeconomics (PhD level), Drexel University, 2011 and 2012.
16. Principles of Macroeconomics, Drexel University, 30 sessions, 2005-2020.
17. Introductory Macroeconomics, Department of Economics, Duke University, summer terms I and II 2003 and 2004.
18. International Trade, Department of International Relations and Department of Political Science, Universidad Católica de Córdoba, Argentina, March 1998 – June 2000.

Academic Awards

1. Egresados Destacados, honorary mention to distinguished graduates working abroad in celebration of the 400th Anniversary of the National University of Córdoba, Argentina.

2. Faculty Member of the Month Award, LeBow College of Business, Drexel University, February 2008.

3. Excellence in Teaching Award, LeBow College of Business, Drexel University, Fall 2007.

4. Economics Department, Duke University, Exceptional Graduate Teaching Assistant Award, April 2004.

5. Duke University, Economics Department tuition and fees scholarship, Fall 2000 – May 2005.

6. Duke University, Graduate School Conference Travel Fellowship, awarded for SED Annual Conference, Florence, July 2004.

7. Joseph J. Spengler Fellowship, Department of Economics, Duke University, Fall 2000- Spring 2001.

8. IERAL of Fundación Mediterránea, Argentina, Research Scholarship: 1996 –1997.

9. Premio al Joven Sobresaliente, Stock Market of Córdoba, Argentina: 1999.

10. Premio Universidad y Mención de Honor, Universidad Nacional de Córdoba, Argentina: 1998 (summa cum laude honors mention).

11. Department Award to the best student in the class of 1997, Department of Economics, Universidad Nacional de Córdoba, Argentina: 1998.

12. Consejo Profesional de Ciencias Económicas de Córdoba (professional association), Argentina, Award to the Best Student in the BA in Economics Program: 1998.

13. Premio a la Excelencia awarded by Roela Bank, Argentina: 1992.

14. Annual Lions Club Award to the best high school student: 1992.

Conference and Seminar Presentations

(includes presentations by coauthors)

1. "Geopolitical Shocks and International Financial Stability: What Can We Learn from Loan Syndicates' Exposure to Russian Firms?": Southern Economic Association annual meetings, Houston, TX, (scheduled November 2026); seminar Middlebury College (scheduled October 2026).

2. "Markup Heterogeneity, Openness and the Pro-Competitive Gains from Trade with Persistent Trade Relationships": Southern Economic Association annual meetings, Houston, TX (scheduled November 2026); annual conference for Macroeconomists at Liberal Arts Colleges, St Olaf and Carleton colleges (scheduled August 2026).

3. "When Deposits are Uninsured: Revisiting the Bank Liabilities Channel": Liberal Arts Colleges Financial Economics Group at Davidson College (scheduled fall 2026); Annual Quantitative Macro workshop (scheduled August 2026); Swarthmore summer seminar (June 2026); IWH Halle Institute for Economic Research in Germany (June 2026).

4. "When the Federal Government Lends: A New Dataset on Credit Policy and Private Credit Markets in the United States": Tri-Co Brainstorming in Macroeconomics Workshop Day (April 2026); Monetary Economics in the Digital Era AALAC Workshop at Grinnell College (March 2026); seminar Wake Forest University (February 2026); annual European Meetings of the Econometric Society in Cyprus, (December 2025); seminar Loyola-Marimount University, Los Angeles CA (November 2025); Swarthmore summer seminar (July 2023).

5. "Mind the (Credit) Gap: Stabilization under Average Inflation Targeting": Swarthmore summer seminar (July 2025).

6. “Banking Networks, Credit Concentration and the Transmission of Sector-Specific Shocks”: University of Houston (November 2023).

7. “Improving Credit Access for Minority-Owned Businesses: A General Equilibrium Approach”: Dynamic Macroeconomics Workshop (Amherst College, August 2024); Macro at LACs conference at Middlebury College (August 2022), Villanova University (November 2021); Swarthmore summer seminar (July 2021).

8. “What do a Million Observations on Banks Have to Say About Federal Credit Policy?”: Fordham University (November 2019); Swarthmore College (July 2020).

9. “Lending Relationships and Labor Market Dynamics”: Society for Economic Dynamics annual conference (July 2018).

10. “Relationship Networks in Banking Around a Sovereign Default and Currency Crisis”: Spring Midwest Macroeconomics Meetings (May 2018); CORE Annual Meetings Cordoba, Argentina (July 2018); summer seminar Swarthmore College (August 2018); 2018 LACEA Annual Meetings-Quito, Ecuador (November 2018); Society for Economic Dynamics annual conference (June 2019); Central Bank of Chile (July 2019).

11. “No Pain, No Gain: Multinational Banks in the Global Business Cycle”: (now “Recessions and Recoveries: Multinational Banks in the Business Cycle”): American Economic Association 2018 Annual Meetings; seminar University of Michigan-Ann Arbor (July 2018), seminar Michigan State University; Macro- Finance Workshop Monash University in Melbourne; Lumsa University in Rome; the World Bank; IMF; Society for Computational Economics annual conference (New York City, June 2017); Society for Economic Dynamics annual conference (Mexico City, June 2018).

12. “Interbank Markets and Bank Bailout Policies amid a Sovereign Debt Crisis”: Midwest Macroeconomics Spring 2017 meetings.

13. “Optimal Monetary Policy with Deep Habits in Credit Markets”: Joint seminar of the European Central Bank, the Bundesbank and the University of Frankfurt; the University of Milan (Italy); seminar University of Colorado-Boulder; the National University of Cordoba (Argentina); the University of Melbourne (summer 2013); the Australian National University (summer 2013) and the 2013 Annual Meeting of the European Economic Association.

14. “Do Bank Capital Requirements Amplify Business Cycles? Bridging the Gap Between Theory and Empirics”: Seminar Board of Governors of the Federal Reserve System (January 2006); the Latin American Meetings of the Econometric Society (Buenos Aires, Argentina, 2009); and the Department of Economics seminar series of the following schools: North Carolina State (March 2006), St Joseph University (January 2006), Lehigh University (February 2006), Fordham University (February 2006), and University of Delaware (May 2010).

15. “Market Power in Banking, Countercyclical Margins and the International Transmission of Business Cycles”: Society of Economic Dynamics (Florence, Italy July 2004); Duke (several occasions during 2004 and 2005); Rutgers University (February 2005), Wellesley College (February 2005); University of Miami (January 2005); Universidad Carlos III de Madrid (January 2005); Drexel (March 2005); United States Naval Academy (February 2005); the Annual Meetings of the American Economic Association in Chicago, IL (January 2007); Federal Reserve Bank of Boston (February 2005).

16. “On the Firm-Level Implications of the Bank Lending Channel of Monetary Policy”: Meetings of the Eastern Economic Association (New York City, 2006); and Meetings of the Southern Economic Association (San Antonio, TX, 2009).

17. “The Cyclicality of Price-Cost Margins in Credit Markets: Evidence from US Banks”: Midwest Macroeconomic Meetings (Washington University in St Louis, MO, spring 2006).

18. “Government Spending, Distortionary Taxation and the International Transmission of Business Cycles”: seminar Duke University (spring 2004).

19. “Competition in Banking and the Lending Channel: Evidence from Bank-Level Data in Asia and Latin America”: 22nd Australasian Finance and Banking conference in Australia (2010).

20. “Do Foreign Banks Increase Competition? Evidence from Emerging Asian and Latin American Banking Markets”: ICMAIF International Conference in Macroeconomic Analysis and International Finance (Rethymno, Greece 2010).

21. “Twin Crises in Emerging Markets: The Role of Liability Dollarization and Imperfect Competition in Banking”: Annual Meetings of the Latin American and the Caribbean Economic Association (Mexico City, 2006); Midwest Theory Meetings (Twin Cities, MN, 2007); Latin American Meetings of the Econometric Society (Bogota, Colombia, 2007); Midwest Macroeconomics Meetings (Philadelphia, PA, 2008); and seminar at Villanova University (November 2008).

22. “Dynamic Gravity: Theory and Empirical Implications”: Annual Meetings of the Eastern Economic Association (New York City, 2009).

23. “Consolidation in Banking and the Lending Channel of Monetary Transmission: Evidence from Asia and Latin America”: Meetings of the Southern Economic Association (New Orleans, LA, 2007) and Meetings of the Southern Economic Association (San Antonio, TX, 2009).

24. “Switching Costs for Bank-Dependent Borrowers and the Bank Lending Channel of Monetary Policy”: Annual Meetings of the Western Economic Association (Portland, OR, 2010).

25. “Macroeconomic Implications of Asymmetric Information in Banking” (current title: “Macroeconomic Implications of Market Power in Banking”): Seminar of the Federal Reserve Bank of Philadelphia (2006), and Annual Meetings of the American Economic Association (New Orleans, LA, 2008).

26. “The Macroeconomic Effects of Anti-Cyclical Bank Capital Requirements: Latin America as a Case Study”: 3rd EMG Conference on Emerging Markets Finance**,** (CASS Business School, London, UK, May 2011).

27. “Multinational Banking and Financial Contagion: Evidence from Foreign Bank Subsidiaries in Emerging Economies”: Annual Meetings of the Western Economic Association (San Diego, CA, July 2011).

Refereeing Work

Journal of Monetary Economics, Journal of International Economics, Review of Economic Dynamics, American Economic Journal: Macroeconomics, Journal of Money, Credit and Banking, Journal of Economic Dynamics and Control, Macroeconomic Dynamics, Journal of Macroeconomics, Oxford Economic Papers, Journal of Banking and Finance, Journal of International Money and Finance, International Journal of Central Banking, Economics Bulletin, B.E. Journal of Macroeconomics, Applied Economics, Southern Economic Journal, International Finance, Journal of Economic Behavior and Organization, Journal of Financial Services Research, Journal of Small Business Management, Economic Modeling, Poverty & Public Policy, Economía Mexicana.

PhD Students Supervised and Student Advising

- John Bird (Drexel, graduation scheduled for 2027), Sofia Kalantzi (Drexel ’19, co-chair - Cornell), Yuan Yuan (Drexel ’12, chair – HSBC, then Freddie Mac), Ji Wu (Drexel ’08, committee member - Penn State Harrisburg, the Southwest University of Finance and Economics China), Yuan Li (Drexel ’10, co-chair – Penn State Altoona), James DeNicco (Drexel ’12, committee member – University of Tampa, then Rice), Petar Dobrev (Drexel ’13, committee member – Stockton University), Adeliada Mehmetaj (Drexel ’15, committee member – University of Seattle).

- Faculty advisor to the Drexel Economics Society: September of 2012-June 2015.

- Faculty advisor to the Omicron Delta Epsilon (international Economics honors society) chapter at Drexel: September of 2012-June 2015.

Undergraduate Students Mentored

Like all of us, I have worked outside the classroom very closely with dozens of students at Swarthmore. I have also written close to 50 letters of recommendation for them. I mention here those students with whom I have worked on research or independent studies courses. Next to each name, their first placement upon graduation.

Research Assistants

- Dailin (Ariel) Wu, Swarthmore ’27
- Shangze (Franki) Li, Swarthmore ’26 (pre-doc at the Wharton School of the University of Pennsylvania).
- Zakaryya Vilanilam, Swarthmore ’26 (analyst Analysis Group).
- Marios Vafiadis, Swarthmore ‘23 (research assistant, analyst Analysis Group and MBA student at Wharton).
- Jone Bagdanskyte, Swarthmore ’25 (Fullbright scholar in the UK).
- Tianyi Jiang, Swarthmore ’24 (law school).
- Mwangangi Kalii, Swarthmore ’23 (analyst Analysis Group).
- Angelina Cao, Swarthmore ’22 (analyst Analysis Group).
- Kevin Choi, Swarthmore ’21 (PhD in Economics program Boston College).
- Jason Kim, Swarthmore ’22 (MS in Statistics at Harvard).
- Francis Dillon, Swarthmore ’21 (Research Analyst Federal Reserve Bank of Kansas City – predoc Harvard, PhD student at Wharton).
- Christopher Goings, Haverford ’19 (Freddie Mac – Capital Markets program analyst).
- Christopher Glazier, Haverford ’19 (healthcare consulting, Dixon Hughes Goodman LLP).

- Natalie Pisch, Haverford ’19 (the Walt Disney Company).
- Soham Mukherjee, Drexel ’19 (NERA Economic Consulting).
- Tam Main, Drexel ’17 (PhD in Economics Columbia).
- Gregory inden Berken, Drexel ’16 (Law School University of Michigan).
- Eric Horton, Drexel ’15 (RA Board of Governors of the Federal Reserve, MSc Finance Princeton).
- Morgan Merge, Drexel ’14 (US PeaceCorps, MPP London School of Economics, the Vanguard Group).
- Christopher Cahill, Drexel ’13 (RA Board of Governors of the Federal Reserve).
- Nevena Bosnic, Drexel ’12 (Carnegie Foundation fellow, then MPP Kennedy School of Government Harvard, now senior consultant at Deloitte).
- Robert Madak. Drexel ’12 (Goldman Sachs, then JP Morgan).
- Jonathan Susser, (transfer from Drexel to the University of Virginia).
- Noah Kraus, (transfer from Drexel to Boston University).

Independent Studies Students

- Zakaryya Vilanilam ’26: ECON 99: Directed Reading in Research on Alternative Financial Services, fall 2023 (analyst Analysis Group).
- Michael Pham ’25: ECON 99: Independent Studies on DSGE Models in Macroeconomics, spring 2025 (Research Analyst Federal Reserve Bank of New York).
- Alicia Liu ’25: ECON 99: Directed Reading in Financial Development and Economic Inequality, fall 2022 (pre-doc Stanford University).
- Mwangangi Kalii ’23: ECON 99: Directed Reading in Financial Economics, taught jointly with Professor Stephen O’Connell, spring 2022 (analyst Analysis Group).

SERVICE

Service to the Profession

- Chair of the steering committee of the Conference for Macroeconomists at Liberal Arts Colleges (spring 2026 – present). Organization’s website now housed at Swarthmore.
- Council on Undergraduate Research, elected national representative for the Division of Social Sciences (May 2026-present).
- Steering committee of the Conference for Macroeconomists at Liberal Arts Colleges (fall 2023 - present).
- Board of Advisors, the Swedish Program - the Stockholm School of Economics (fall 2023 - present).

Service to Swarthmore College

- Lang Center Advisory Board (academic year 2026-2027).
- Global Studies program committee (fall 2022 - present).
- Latin American and Latino Studies program committee (fall 2022-present).
- Faculty Committee for Diversity and Excellence (academic year 2024-2025).
- Search committee for the Associate Dean of the Faculty for Diversity, Recruitment and Retention (spring 2024)
- College Judiciary Committee (fall 2023 – spring 2025).
- Assessment of Learning: Department liaison for Economics (fall 2022 – spring 2025).

Service to the LeBow College of Business of Drexel University

- Undergraduate Residency in Chile: I participated as one of four faculty members who attended this residency during March of 2008. I was also the assigned instructor for the course International Business and Latin America required for students who were part of the residency.
- Executive MBA Graduate Residency in Chile and Argentina: During the academic years 2008/09 and 2009/10 I gave pre-departure talks on the Argentine economy to students participating in this residency.
- Department Head Evaluation Committee: 2007 and 2015.
- LeBow College of Business Strategic Planning Committee
- LeBow College AACSB Reaccreditation: academic year 2008/09

Service to the School of Economics of Drexel University

- School Personnel Committee: academic years 2001-present.
- Faculty Hiring Committee: academic years 2005, 2006, 2007, 2008, 2009, 2013 and 2015.
- Department Curriculum Committee: academic years 2008 and 2009.
- First Year PhD Exams Committee
- Second Year PhD Candidacy Committee
- Drexel Economic Society: I was the speaker at one of the Drexel Economic Society (DES). I have also participated and brought my students to numerous events organized by DES.
- Assessment of Learning Outcomes
- Independent Study Supervision

Service to Drexel University

- 2020 Evaluation Committee for the University Lindback Teaching Award to senior faculty.
- 2017-2018 Dean's Search Committee: member of the search committee that appointed Paul Jensen, PhD as the new Dean of the LeBow College of Business.
- Honors College STAR Program: Research mentor (2008 - 2010).
- Drexel Fellowships Office: Fulbright on-campus interviews committee – 2015 and 2016.
- Liberty Scholars Program: Faculty mentor.
- Faculty advisor to Phi Kappa Psi: This fraternity is mostly service oriented, and its main goal is to raise funds for research on juvenile diabetes.

Other Information

Professional associations membership: American Economic Association, Econometric Society, Royal Economic Society, Society of Economic Dynamics, Southern Economic Association, Latin American and the Caribbean Economic Association, Western Economic Association.

Community and public engagement: Waldron Mercy Academy, Project HOPE of the Sisters of Mercy, Philadelphia autism community.

Languages: Spanish (native speaker).
